MID HUDSON VALLEY CHAPTER NEWSLETTER

June 2014

A thank you and an appeal from your local chapter

During this past year, our chapter continued many programs – sponsoring our traditional events such as the freshman sendoff picnic, running community service projects including feeding 200 at the lunch box, participating in the football ticket lottery and holding several social events such as a dinner event in February with speaker, David Conklin. Plus, for the first time, we put together 25 THON dancer packs – something I expect we will try to do each year. For our efforts, the chapter was again honored as a “Chapter of Distinction” by the Alumni Association. We thank those of you who are members (membership dues provide the majority of our funding) and those who attended events. Very special thanks go out to past board members who have moved out of the valley, Wayne Morschhauser, Bryan Cover and Bianca Sparbanie. But looking ahead, unless others step forward to help manage the chapter and run events, it will be difficult for us to be able to continue to offer programs at the level of the past few years.

Please, at a minimum, support the chapter by sending in your membership dues and then also consider becoming involved in managing chapter events – the amount of involvement and time you put into it is really up to you. For sure you are always welcome to stop at one of our monthly meetings.

For the Glory and for the Kids!
